

# ALLIED HEALTH GRADUATE PROGRAM

**Come be part of DCC's graduate program today!**

Our allied health division specialises in speech and occupational therapy and offer a unique opportunity to kick-start a rewarding career while developing generalised caseload skills in a collaborative environment.

As a recent graduate, you will work alongside our experienced therapists, gaining hands-on experience with diverse clients across various settings. This program provides structured mentorship, ongoing professional development, and exposure to the latest evidence-based practices.

## ELIGIBILITY CRITERIA

**To be eligible for our graduate program in speech and occupational therapy, candidates need to meet the following:**

- ✓ Completion of relevant degree, such as a Bachelor's or Master's in Speech Pathology or Occupational Therapy.
- ✓ Registration or in the process of gaining registration with the appropriate national health body, such as Speech Pathology Australia (SPA) or the Australian Health Practitioner Regulation Agency (AHPRA).
- ✓ Strong communication, problem-solving, and interpersonal skills, as well as a passion for working with diverse populations.

**Joining DCC Industry Group is a perfect pathway to grow professionally, expand your expertise, and build a solid foundation for a fulfilling career in healthcare.**
